

The Largo Law

Hill Race

Challenge

This race is like no other race in Fife.

Are you tough enough!

**** Limited to 150 Entries ****

Registration and prize giving will be held at the Crusoe Hotel in Lower Largo so bring the family along and enjoy the friendly atmosphere. You'll need it when you get back.

The runners will jog the 800m to the Start / Finish line which is situated on the other side of the A917 (Just over the little hillock next to the traffic sign).

The trail crosses Keils Den burn and runs along the full west side of the burn before crossing back over onto the Largo Law side. Follow the trail for about 800m, and then take a sharp left along the trail by the side of the field to the road, the rest is easy to follow.

The course is approx 6.8 miles out and back, and is extremely demanding with four burn crossings – Steep muddy climbs and descents – Forest trails – And don't forget The Law.
